

18 Feb 1975

*Scowcroft*  
Major General  
Brent Scowcroft, NSC

Brent,

Bill Colby has asked that the attached statement be provided to you for review and comment. He plans to use it in open session before the House Defense Appropriations Subcommittee on 20 February and George Mahon has asked for 100 copies by c.o.b. Tuesday, 19 February. I will be in touch with Dick Ober for any suggestions you may have. A copy has also gone to Phil Buchen.
